Car aromatherapy humidifier

**NANO ATOMIZATION**  
**QUIET AND MOISTURIZING.**  
 Let life have unlimited possibilities

**MORE POWERFUL PERFORMANCE**

- Fast atomization
- Atomized water
- Powerful fragrance
- Soft light operation
- RF remote
- Colorful light

**30 MINUTES**  
 ENOUGH TO FEED THE SKIN TO DRINK A GLASS OF WATER

**HIGH FREQUENCY OSCILLATION**

High frequency oscillation atomization is an advanced atomization technology. It can atomize water into ultra-fine mist particles, which are easy to be absorbed by the skin.

**INCREASE THE HUMIDITY IN THE CAR BY 40%**  
 THE LEATHER UPHOLSTERY IS NOT CRACKING

The humidifier in the car can increase the humidity in the car by 40%. It can prevent the leather upholstery from cracking and prolong its service life.
